This is story
About a boy and a girl
And how they ran so far
Without a trace
And out of site
Without notice
They turned
"Please," she said
"Don't ever turn your back,
Lets never take a look,
I can't afford to lose this time"
"Don't say that your better left alone
And left for dead," he said

Girl please don't put your aggression on me
I never want you think that bad of me
I've lied to myself
And I've lied to you
We have to back
We've got nothing to lose

Go, lets go
Don't go
Don't ever turn your back on me
Go, lets go
Don't go
Don't ever leave this joy ride again

As they started walking back
She said, "Why are you worried,
Why are you scared?"
He smiled, she got closer
"Things aren't going to be easy as before (bitch)"

Hold the quiet innocence alone
We're gonna bring this house down
Tap, tap, tap your feet on the floor
Tap, tap, dance to the music beat
Come on we'll bring it down
Come on you'll bring it down
Drink down, drink down, drink down

The cavalier, I think you got this dance beat, oh
Whoa, we're going down, we're going down dear
studio
Lights camera, lights camera, lights camera, action
