Wish I could stay in my dream  
Walking in heaven  
Holding you closer  
Together forever

Wish I could stay in my dream  
Sailing in heaven  
Loving you tender  
And baby you're mine

And when I want to  
I can tell you I love you  
Tell you how much I need you  
And you'll always be there

And when I see you  
In my dreams I can kiss you  
Kiss you just how I want to  
And you'll always be there  
And you'll always be there

Wish I could stay in my dream  
Walking in heaven  
Holding you closer  
Together forever

Nigh after night in my dream  
Sailing in heaven  
Loving you tender  
And baby you're mine

Cause When I'm dreaming  
In your arms I am laying  
Nothing seems to be missing  
And you'll always be there

But when it's dawning  
And the starlights are fading  
All my dreams are disappearing  
But you'll always be there  
And you'll always be there
