"In Your Hands"

People come from north
People come from south
To witness this show
With you by my side

Aunti Analise
Onkel William
Little Mary too
Are all dressed in style

All I wanna say, I wanna say, I wanna say

My life is in your hands
You gotta take or leave it
I hope you understand
It's all I can give

In the name of God
We'll make it through the life

Look around dear
All the people cheer
Happiness is here
With you on my mind

Never have I known
Never have I shown
Feelings hard as stone
Deep in my heart

Uh I wanna say, I wanna say, I wanna say

My life is in your hands...
