Step in my way, in a new happy day
Blow all my problems away
I wanna go, back to my home
And I think it's the best I can do

Moments of past are still in my mind
Hoped that one day I'd return
I wanna fly back to my town
Back to my tropical world

Way down
Way down in Jamaica
Blue sky
Waiting for you and for me
Way down
Way down in Jamaica
Sunshine,
Walk in the sand and feel free

Step in my way, in a new happy day
Blow all my problems away
I've seen enough
Can't take it no more

Moments of past, are still in my mind
Singing a song in the air
Lifting me up higher and higher
Back to my tropical land

Way down
Way down in Jamaica
Blue sky
Waiting for you and for me
Way down
Way down in Jamaica
Sunshine,
Walk in the sand and feel free
