Verse 1:

This little light of mine
I'm gonna let it shine
I'm gonna put in on a stand I wnt give up the fight
I'm got a stamp o' courage, and I wnt be discouraged
I'm gonna stand in the truth and that the truth is
knowledge
And I am blessed, I'm blessed, I'm blessed,
To have a love like this, like this, like this,
I am a son of the king
I know that I'm accepted
I have a destiny
And I wont be rejected

And I want you to feel it, that is why I say this

So I'm'a let it shine
This little light of mine
I'll put the news on a stand I will lift it high
So you can come and ask, and I will tell the truth
Coz my story stands before you and it's living proof
If he did it for me he will do it for you
He's knocking on the door you gotta let him through

Chorus:

This little light a light o mine
I'm gna let it let it shine
This little light a light o mine
I'm gna let it let it shine

Let it shine
Let it shine
Let it shine
Let it shine

Verse 2:

This little light o' mine

I'm gna let it shine
'N I'm gna testify
Never givin up the fight
Hold me in your grand design
I believe it
Said you were the reason why
Now I see it
No longer fake your no longer profuse
Yo I give you praise coz I love what you do
Coz you give me something people don't understand
(Yo)
You know you make me wanna be a better man (So)
I'm gna go out and talk to your people... [yes yes yes]
I wanna talk to your people
Give 'em a chance to get up and to here the truth
And the truth is your the reason why we're breathing

I'm gna let it shine this little light of mine
Yeah open up the door let the people pass through
See the light on the hill and it shines right through
Coz he's reaching out a hand callin out to you

Chorus:

This little light a light o mine
I'm gna let it let it shine
This little light a light o mine
I'm gna let it let it shine

Let it shine
Let it shine
Let it shine
