I play the game. You feel the same. I play the game.
You do the same. I play the game. REMEMBER ME.

I play the game. (I play the game.) You play the game.
(You play the game.) We play the game. (We play the
game.)
WE PLAY THE GAME.

I play the game.

I play the game. You feel the same. I play the game.
(I play the game.) REMEMBER ME.

I play the game. (I play the game.) You play the game.
(You play the game.) We play the game. (We play the
game, ah.)
WE PLAY THE GAME.
