I take you to the candy shop  
I'll let you lick the lollypop  
Go 'head girl, don't you stop  
Keep going 'til you hit the spot (woah)  
I'll take you to the candy shop  
Girl one taste of what I got  
I'll have you spending all you got  
Keep going 'til you hit the spot (woah)

You can have it your way, how do you want it  
You gon' back that thing up or should i push up on it  
temperature rising to the next level  
Dance floor packed, hot as a teakettle

I'll break it down for you now, baby it's simple  
if youll be a nympho, ill be a nympho  
In the hotel or in the back of the rental  
On the beach or in the park, it's whatever you into

Got the magic stick, I'm the love doctor  
Have your friends teasin you 'bout how sprung I gotcha  
Wanna show me how you work it, allright!  
Get on top then get to bouncing round like a low rider

I'm a seasoned fit when it come to this shit  
After you work up a sweat you can play with the stick  
I'm tryin to explain baby the best way I can  
I melt in your mouth girl, not in your hands (ha ha)

I take you to the candy shop  
I'll let you lick the lollypop  
Go 'head girl, don't you stop  
Keep going 'til you hit the spot (woah)  
I'll take you to the candy shop  
Girl one taste of what I got  
I'll have you spending all you got  
Keep going 'til you hit the spot (woah)

Give it to me baby, nice and slow  
Climb on top, ride like you in the rodeo  
You ain't never heard a sound like this before

Cause I ain't never put it down like this before

Soon as I come through the door she get to pullin on  
my zipper

It's like it's a race who can get undressed quicker  
How ironic how erotic it is to watch em in thongs  
Had me thinking 'bout that ass after I'm gone

I touch the right spot at the right time  
Lights on or lights off, she like it from behind  
So seductive, you should see the way she winds  
Her hips in slow-mo on the floor when we grind

I take you to the candy shop  
I'll let you lick the lollypop  
Go 'head girl, don't you stop  
Keep going 'til you hit the spot (woah)  
I'll take you to the candy shop  
Girl one taste of what I got  
I'll have you spending all you got  
Keep going 'til you hit the spot (woah)

[2x]  
Girl what we do (what we do)  
And where we do (and where we do)  
The things we do, (things we do)  
Are just between me and you

Candy candy, shop shop  
Lolly lolly, pop pop  
Don't you don't you, stop stop

I'll take you to the candy shop  
Girl one taste of what I got  
I'll have you spending all you got  
Keep going 'til you hit the spot
