You don't know how you met me  
You don't know why  
You can't turn around and say good bye  
All you know is when I'm with you  
I make you free  
And swim through your veins  
Like a fish in the sea

I'm singing  
Follow me and everything is alright  
I'll be the one to tuck you in at night  
And if you want to leave I can guarantee  
You won't find nobody else like me

I'm not worried about the ring you wear  
Cause as long as no one knows  
That nobody can care  
You're feeling guilty  
And I am well aware  
But you don't look ashamed  
And baby I'm not scared

I'm singing  
Follow me and everything is alright  
I'll be the one to tuck you in at night  
And if you want to leave I can guarantee  
You won't find nobody else like me

Won't give you money  
I can't give you the sky  
You're better off if you don't ask why  
I'm not the reason that you're going strange  
We'll be alright if you don't ask me to stay

I'll be the one to tuck you in at night  
And if you want to leave I can guarantee  
You won't find nobody else like me

You don't know how you met me  
You don't know why  
You can't turn around and say good bye

All you know is when I'm with you  
I make you free  
And swim through your veins  
Like a fish in the sea

( 3x )  
I'm singing  
Follow me and everything is alright  
I'll be the one to tuck you in at night  
And if you want to leave I can guarantee  
You won't find nobody else like me
