I could stick around and get along with you, hello
(Stick around and get along with you)
It doesn't really mean that I'm into you, hello
(doesn't really mean that I'm into you)
You're alright but I'm here darling to enjoy the party
Don't get too excited 'cause thats all you get from me,
hey
Yeah I think you're cute, but I really you should know
I just came to say hello, hello, hello, hello

I just came around, round and round and round (Hello)
I just came around, round and round and round (Hello)
I just came around, round and round and round (Hello)
I just came around, round and round and round
I just came to say hello

I'm not the kinda boy to get messed up with you, hello
(I'm not the kinda boy to get messed up with you)
I'ma let you try to convince me to, hello
(I'ma let you try to convince me to)
It's alright, I'm getting dizzy, just enjoy the party
It's OK with me if you don,t have that much to say, hey.
I Kinda like this game but there's something you should
know
I just came to say hello

I just came around, round and round and round (Hello)
I just came around, round and round and round
Come on little girl, don't you want me to stay (Hello)
I just came around, round and round
I just came to say hello

You're alright but I'm here darling, to enjoy the party
You're alright but I'm here darling, to enjoy the party
You're alright but I'm here darling, to enjoy the party
I just came to say hello

I just came around, round and round and round (Hello)
I just came around, round and round and round (Hello)
I just came around, round and round and round (Hello)
I just came around, round and round

I just came to say hello

I just came around, round and round and round
(Hello)...
