You have my heart and we'll never be worlds apart
Maybe in magazines but you'll still be my star
Baby cause in the dark, you can see shiny cars
And that's when you need me there, with you I'll always
share because

When the sun shines, well shine together, told you I'll
be here forever
That I'll always be your friend
Took an oath I'm a stick it out till the end
Now that it's raining more than ever, know that we still
have each other
You can stand under my umbrella, you can stand under
my umbrella
You can stand under my umbrella, hey hey ba-by

These fancy things, will never come in between
You're part of my entity, here for Infinity
When the war has took it's part, when the world has
dealt it's cards
If the hand is hard, together we'll mend your heart
because

When the sun shines, well shine together, told you I'll
be here forever
That I'll always be your friend
Took an oath I'm a stick it out till the end
Now that it's raining more than ever, know that we still
have each other
You can stand under my umbrella, you can stand under
my umbrella
You can stand under my umbrella, hey hey hey hey hey

You can run into my Arms, it's okay don't be alarmed
Come into Me, there's no distance in between our love
Gonna let the rain pour, I'll be all you need and more

You can stand, you can stand, you can stand
You can stand, you can can, stand stand

When the sun shines, well shine together, told you I'll

be here forever
That I'll always be your friend
Took an oath I'm a stick it out till the end
Now that it's raining more than ever, know that we still
have each other
You can stand under my umbrella, you can stand under
my umbrella
You can stand under my umbrella, hey hey hey hey hey

When the sun shines, well shine together, told you I'll
be here forever
That I'll always be your friend
Took an oath I'm a stick it out till the end
Now that it's raining more than ever, know that we still
have each other
You can stand under my umbrella, you can stand under
my umbrella

You can stand, you can stand, you can stand... Oh you
can stand
You can stand, you can stand, you can stand...
Umbrella.
