M.O.T.O. - All-night Vivarin Jag

On an all night vivarin jag
Eating up the slugs from a garbage pail
On an all night vivarin jag
Hanging on the wharf with a couple of dwarves
On an all night vivarin jag
I'm throwing bricks at a couple of pricks
On an all night vivarin jag
Oh oh oh
All night vivarin jag
I'm on the hump with a couple of chumps
On an all night vivarin jag
Chewing on my tongue till it gets real numb
On an all night vivarin jag
Beating on a bum with a couple of nuns
On an all night vivarin jag
Knocking down a priest in the middle of the street
On an all night vivarin jag
Oh oh oh
All night vivarin jag
Oh oh oh
All night vivarin jag
Running down the street with a couple of feet
On an all night vivarin jag
Listening to the lies with an order of fries
On an all night vivarin jag
You're a nice guy but I don't know why
On an all night vivarin jag
...spread 'em and you go to heaven
On an all night vivarin jag
Oh oh oh
All night vivarin jag
YEAH!
