I won't talk, I won't breath  
I won't move 'till you finally see  
That you belong to me  
You might think I won't look  
But deep inside in the corner of my mind  
I'm attached to you

I'm weak, it's true  
'Cause I'm afraid of all the answers  
Do you want me too?  
'Cause my heart keeps falling faster

I've waited all my life to cross this line  
To the only thing that's true  
So I will not hide, it's time to try  
Anything would be with you  
All my life I've waited  
This is true

You don't know, what you do  
Every time you walk in to room  
I'm afraid to move

I'm weak, it's true  
I'm just scared to know the ending  
Do you see me too?  
Do you even know you met me?

I've waited all my life to cross this line  
To the only thing that's true  
So I will not hide, it's time to try  
Anything would be with you  
All my life I've waited  
This is true

I know when I go, I'll be on my way to you  
The way that's true

I've waited all my life to cross this line  
To the only thing that's true  
So I will not hide, it's time to try  
Anything would be with you

All my life I've waited  
This is true
