if i could only let you know how mean
do love you so
don't wanna let you go away from me
but i know even if you won't if you
launch just like i would
tell me do i have to change
i know that it's so hard to say
that i'm gonna find my own way again

chorus:

oh how i wish to be a star
shining down whenever we're apart
it's just a dream i'd see if you and me
and i hope and it will come true
oh how i wish that you'll be mine
and be my love forever
you will always stayin' my heart till
i fade away

leave me if you only knew how i feel
inlove with you
i've never felt this way before
this one is for you but i know that
i'm gonna cry
as time passes by
tell me do i have to change
and i know that it is so hard to day
that i'n gonna find my own way again

repeat chorus

somewh ere in this world there is a
place where i can reach you
no matter how far apart we are
i know our love will stay
i will stay.....

r epeat chorus

and forever here in my heart
you will always stay in my heart till
i fade away

you will always stay in my heart till
i fade away.....
