Your Love is like the sun that lights up my whole world  
I feel the warmth inside  
Your love is like the river that flows down through my  
veins  
I feel the chill inside

Every time I hear your music  
It reminds me of the feelings that we've been through  
In my mind I can't believe it's true  
But in my heart the reality is you

I am all alone without you  
My days have died without a glimpse of you  
But now that you came into my life  
I feel complete  
The flowers bloom, my morning shines  
And I can see

Your Love is like the sun that lights up my whole world  
I feel the warmth inside  
Your love is like the river that flows down through my  
veins  
I feel the chill inside

Your Love is like the sun that lights up my whole world  
I feel the warmth inside  
Your love is like the river that flows down through my  
veins  
I feel the chill inside

Your Love is like the sun that lights up my whole world  
I feel the warmth inside  
Your love is like the river that flows down through my  
veins  
I feel the chill inside
