

Sam Cooke "A Whole Lotta Woman"

Visit "[A Whole Lotta Woman](#)" on MotoLyrics.com

I've got a rocking chair that rocks, a rubber ball that rolls

Oh, I need a whole lot of woman, yeah, to satisfy my soul

It takes a lot woman, yeah, to satisfy my soul

You know a boy needs a girl

She needs a ring that's made of gold

But I need a whole lot of woman, yeah, to satisfy my soul

It takes a lot woman, yeah, to satisfy my soul

Oh and I don't need no woman

I don't need her because she's fine

Oh, I need a girl, a sweet little thing

To love me all of the time

You know fire make things hot

And oh, and ice keep 'em cold

But I need a whole lot of woman, yeah, to, to satisfy my soul

It takes a lot woman, to satisfy my soul

Oh and I don't need no woman

I don't need her because she's fine

Oh, I need a girl, I need a sweet little thing

To love me all of the time

You know that fire make things hot

And the ice to keep 'em cold

And I need a whole lot of woman, yeah, to satisfy my soul

It takes a lot woman, yeah, to satisfy my soul

Satisfy, satisfy, I need a woman to satisfy

I need a woman to satisfy, I need a woman that satisfies

I need a woman to make me glad, oh, whenever I'm feeling sad

I need a woman to treat me right, and oh to love me both day and night

I need a woman, I need a woman
