There ain't nothing that I can't do
Or nothing I can't say
That folks don't criticize me

But I'm going to do
Just what I want to anyway
And I don't care just what people may say

If I, if I take a notion
To jump off into the ocean
Ain't nobody's business if I do

And if I go to church on Sunday
Then cabaret all day Monday
It ain't nobody's business if I do

Ooh, if my baby ain't got no money
And I say, "Take all of mine, honey"
Ain't no, nobody's business if I do

Ooh, if I give baby my last nickel
And it leaves me, leaves me in a pickle
Ain't no, nobody's business if I do

Ooh, I'd rather 'refer my baby to hit me
Than to jump up and quit me
Ain't no, no, no, nobody's business if I do
Nobody's business if I do
