

## Sam Cooke "Baby"

Visit "[Baby](#)" on MotoLyrics.com

Baby, baby, baby  
you got me crying in my sleep  
Baby, baby, baby  
you got me crying in my sleep  
oh, you let the other fellows  
steal your love away from me  
one more time

Baby, baby, baby  
I wake up calling your name  
Baby, baby, baby  
I wake up calling your name  
oh, you get me so unhappy  
and honey you're the one to blame  
let me tell you about it

I gave it time, I gave you love  
I thought we went together like a hand a glove  
you took my love  
you took my time  
and I know you make me feel  
you're trying to take my time

Baby, Baby, baby  
why don't you stop your evil way  
you're making me unhappy  
you got me crying night and day  
let me tell a story

I try to get to sleep at night  
but all I do is toss and turn in broad daylight  
my pillow is wet from crying tears  
I feel a little better when you're picture's near  
baby, baby, baby  
I got your picture in my arms  
I've giving it my kisses and my love until you come  
but meanwhile

Baby, baby, baby  
you got me crying in my sleep  
Baby, baby, baby  
you got me crying in my sleep

oh, you let the other fellows  
steal your love away from me
