Now you say you're lonely  
You cry the whole night through  
Well you can cry me a river  
Cry me a river  
I cried a river over you

Now you say you're sorry for being so untrue  
Well you can cry me a river  
Cry me a river  
I cried a river over you

You drove me  
Narly drove me out of my head while you never shed a  
tear  
Remember  
I remember all that you said  
Told me love was too plebeian being  
Told me you were through with me

And now you say you love me  
Well just prove you do come and cry me a river  
Cry  
Cry me a river 'cause I cried a river over you

Come on and cry me a river  
Cry  
Cry me a river  
I cried a river over you
