I wish somebody would come and ease my troublin'  
mind

I wish somebody would come and ease my troublin'  
mind, oh, yes, I do

Why won't somebody come and ease my troublin'  
mind?

I sure wish somebody would come and ease my  
troublin' mind

I wish my baby would come and tell me everything's  
alright

I sure wish my baby would come and tell me everything  
is still alright

Oh, yes, I do

They tell me when you tell somebody your troubles

Trouble fly away from you

I'm looking looking looking for somebody

I can tell my troubles to

Why won't somebody come and ease my troublin'  
mind?

I sure wish somebody would come and ease my  
troublin' mind

Oh, yeah
