Everybody loves to cha cha cha  
Little children like to cha cha cha  
They like to cha cha cha, they like to cha cha cha  
Everybody likes to cha cha cha

Took my baby to the hop last night  
And what to my surprise  
When we got there she hit me with the news  
Right between the eyes, yeah

She said she couldn't do the cha cha cha  
She said she couldn't do the cha cha cha  
She couldn't cha cha cha, no, she couldn't cha cha cha  
My baby couldn't do the cha cha cha

I told her not to worry  
They'd play some other dance  
But we sat there for an hour and a half  
And we never got a chance

Every song they played was the cha cha cha  
Every song they played was the cha cha cha  
'Tom Dooley', cha cha cha, 'Tea For Two', cha cha cha  
Every number was the cha cha cha

I told her not to worry  
There's only one thing we can do  
Baby, if you let me take you by the hand  
I'm gonna teach this dance to you

Then, I told her one two, cha cha cha  
One two, cha cha cha  
And up now, baby and back now  
That's right, turn now, alright let's cross now  
I taught my baby how to cha cha cha

We kept on dancing  
And was I surprised, for you see  
After we practiced it for a little while  
She was doing it better than me

Now my baby loves to do the cha cha cha

She loves to do the cha cha cha  
She likes her, she likes to cha cha cha  
Everybody likes to cha cha cha

They do it  
One two, cha cha cha, alright  
One two, cha cha cha  
And up now, alright back now  
Alright baby let's cross now and turn now  
Whoa, oh, oh, oh
