Feel it, feel it
Feel it, feel it

Baby, when the band is playing
And that solid beat
Oh, make you wanna move
Make you wanna groove
Make you wanna pat your feet

Don't fight it, don't fight it
Feel it, no, oh

Baby, when you're dancing near me
With your cheek close to mine
And you begin to feel a funny little thrill
Moving up your spine

Don't fight it, don't fight it
Feel it, no, oh

Baby, when the swinging music
Make you wanna flip
Don't be in pain trying to restrain
Go ahead and move your hips

Oh, baby, when you're dancing near me
And I feel I wanna tease, oh
And when I do, the feeling gets you
And you feel you wanna squeeze

Don't fight it, don't fight it
Just feel it, feel it, feel it
Feel it, feel it, feel it, feel it

Baby, when the swinging music
Make you wanna flip
Don't be in pain trying to restrain
Go ahead, shake them hips

Oh, baby, when you're dancing near me
And I feel I wanna tease, oh
And when I do, the feeling gets you

And you feel you wanna squeeze

Don't fight it, don't fight it
Just (feel it) yeah (feel it) yeah
(Feel it) yeah (feel it) yeah
(Feel it) yeah (feel it) yeah...
