Oh, my baby's  
Coming home tomorrow  
Ain't that good news  
Man, ain't that news

My baby's coming home tomorrow  
Ain't that news  
Man, ain't that news

I got a letter just the other day  
Telling me that she was on her way  
And she wants me to  
Meet her at the station

Ain't that good news  
Man, ain't that news

In the letter  
She told me she still loved me  
Ain't that good news  
Man, ain't that news

In the letter  
She told me that she loved me  
Ain't that news  
Man, ain't that news

She said she's sorry that she left  
Found out she don't want nobody else  
She said she wants me all to himself

Ain't that good news  
Man, ain't that news

Ain't that news  
Ain't that good news  
Man, I know that's good news

My baby's coming home tomorrow  
Ain't that good news  
Man, ain't that news

I'm gonna have her  
A party at the station  
Ain't that good news  
Man, ain't that news

Have a party at the station  
Ain't that news  
Man, ain't that news

And I can't wait to get her home  
Where we can finally be alone  
Disconnect my telephone  
Ain't that good news  
Man, ain't that news

Ain't that news  
Ain't that good news  
Man, man, ain't that news

My baby's coming home tomorrow  
Ain't that good news  
Man, ain't that news

Good news, good news...
