I ain't gonna cheat on you no more  
Baby, like I, like I did before  
Now forgive me, darling, I was wrong  
For with you baby I belong  
I won't cheat on you no more

I ain't gonna cheat on you no more  
Baby, please don't walk out that door  
Now drop those bags and say you'll stay  
I love you baby 'til my dying day  
I won't cheat on you no more

I know the grass ain't greener on the other side  
The cat that told me that he's your light  
When I was 'cross the street with his Jezebel  
He was over here just ringing your bell

I won't cheat on you no more  
Baby, like I, like I done before  
Now I'll be faithful and I'll be true  
Do anything that you want me to  
I won't cheat on you no more

I ain't gonna cheat on you baby  
I'll be faithful and true, do anything you want me to  
I ain't gonna cheat on you no more, uh uh, oh yeah

I found out the grass ain't greener on the other side  
The cat that told me that he's your light  
When I was 'cross the street with his Jezebel  
He was over here just ringing your bell

I won't cheat on you no more  
Baby, please don't walk out that door  
Don't you know that I'll be faithful and I'll be true  
Do anything that you want me to  
I won't cheat on you no more
