I love you
I love you, I love you
I love you, I love you
I love you, I love you

I love you
I love you, I love you
I love you, I love you
I love you, I love you

I love you for sentimental reasons
I hope you do believe me
I've given you my, my, my
My, my, my, given you my heart

Because I mmm you
And you alone were meant for me
Please give your loving heart to me
And say we'll never part

I think of you every morning
I dream of you every
Every, every, every night
And I know I'm never lonely
Whenever you are in sight

I know, I know, I know
I love, love, love, love you
And you alone were meant for me
Please give your loving, loving, loving
Loving, loving, loving heart to me
And tell me we'll never part

(I think of you every morning)
I think of you every morning
(Dream of you every night)
Can I help it if I
Dream of you every night

(Darling, I'm never lonely)
No, no, no, no, I'm never lonely
Whenever, whenever

Whenever, whenever
Whenever you are in sight

I know that I love
Love, love, love, love you
And you alone were meant for me
Please give your loving, loving, loving
Loving, loving, loving heart to me
And tell me we'll never
Never, never, never part

My darling, I love you
I love you, I love you
I love you, I love you
I love you, I love you...
