Folks say that you've found someone new  
To do the things I used to do for you  
Just call my name, I'm not ashamed  
I'll come running back to you  
Can't sleep at night, I can't eat a bite  
When you were mine I didn't treat you right  
Just call my name, I'm not ashamed  
I'll come running back to you  
Just like a king, I've lost everything  
I sit all alone on my throne  
I've got my pride, but deep down inside  
I'm yours and yours alone  
I try to forget, have no regrets  
This love of ours could always start anew  
Just call my name, I know I'm not ashamed  
I'll come running back to you  
Just like a king I've lost everything  
I sit all alone on my throne  
I've got my pride, but deep down inside  
I'm yours and yours alone  
I try to forget, have no regrets  
This love of ours could always start anew  
Just call my name  
I know, I know, I know I'm not ashamed  
I'll come running back to you.
