Oh, it's all right  
It's all right, it's all right  
Honey, it's all right  
Long as I know  
Long as I know that you love me  
Honey, it's all right

It's all right  
It's all right, it's all right  
Honey, it's all right  
Long as I know  
Long as I know that you love me  
Baby, it's all right

Oh, my friends tell me  
That you found somebody new  
They report to me  
Every little thing that you do

But as long as you tell me  
That it's all untrue  
Baby, it's all right

Oh, it's all right  
It's all right, it's all right  
Believe when I say it's all right  
Long as I know  
Long as I know that you love me  
Baby, it's all right

Oh, oh, oh

One more thing I want you to know  
If you ever worry, if you're all alone  
Just remember, darling  
That I'm as near as your telephone

And if you need me, honey  
All you've got to do is to call me  
Believe me, it's all right

Oh, it's all right

It's all right, it's all right  
Honey, it's all right  
Long as I know  
Long as I know that you love me  
Baby, it's all right

Oh, help me to tell her one more time

It's all right, it's all right  
It's all right, it's all right  
Honey, long, long, long as I know  
Long as I know that you love me...
