Love me for I need someone to hold me tight  
For I feel so lonely tonight  
All I ask is that you, love me, love me  
Love me, love me, love me, oh

Till I hear a thousand drums roar  
I ask for this and nothing more  
All I ask is that you, love me, love me  
Oh, I need someone to love me

Oh, love me when I'm sad  
Love me when I'm lonely  
Love me when I'm glad  
And love me only just love me, oh

Till we make time stand still  
Till our hearts beat as one and they will

Beat as one if you'll just love me, love me  
Oh, I need someone to love me, love me  
I need someone to love me, love me, love me, love me
