

## Sam Cooke "Mean Old World"

Visit "[Mean Old World](#)" on [MotoLyrics.com](https://MotoLyrics.com)

This is a mean old world to live in all by yourself  
This is a mean old world to live in all by yourself  
This is a mean world to be alone without someone to  
call your own  
This is a mean old world to try and live in all by yourself

I wish I had someone, someone who'd love me true  
I wish I had someone, someone who loved me true  
If I had someone who loved me true then I know I  
wouldn't be so blue  
This is a mean old world to try and live in all by yourself

No, this is a mean old world to live in all by, by, by, by  
all by yourself  
Mean old world to try and live in all by, by, by, by, by,  
by, by, by yourself  
This is a mean world to be alone without someone to  
call your own  
No, mean world to try and live in all by, by, by, by, by  
yourself

Sometimes I find myself dreamin' I found a love  
Sometimes I find myself dreamin' I found a love  
Sometimes I dream I've really found a love  
Someone who loved me true as the stars above  
For this is a mean old world to try and live in, all by  
yourself
