A friend of mine told me one clearly mornin'  
(Over at Mary's place, ho)  
Said tonight there's gonna be a party goin' on  
(Over at Mary's place, ho)

He said "If you can enjoy a real nice affair  
(Over at Mary's place, ho)  
Then you'll make it your business to be right there  
(Over at Mary's place, ho)  
He said in fact

Meet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)  
Why don't you ?  
(Meet me at Mary's place)

Why don't you meet me ?  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)  
Why don't you ?  
(Meet me at Mary's place, ho)

He said, "There's one thing I that want you to know"  
(Over at Mary's place, ho)  
You're gonna have a good time before you go  
(Over at Mary's place, ho)

He said, "There's one more thing that I'm gonna  
guarantee  
(Over at Mary's place, ho)  
Got to have fun if you're a man like me  
(Over at Mary's place, ho)  
If you wanna have fun

Meet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)

Why don't you?  
(Meet me at Mary's place)  
Oh, meet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)

Why don't you?  
(Meet me at Mary's place, ho)  
If you wanna have a good time  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)

Come on and  
(Meet me at Mary's place)  
Oh, meet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)  
Come on and  
(Meet me at Mary's place, ho)
