I've got a girl and, man, she's, oh, so fine  
Someday I'd like to make her mine, oh, mine  
She's fine but she won't give me a chance  
When I want to sweet talk  
All she wants to do is dance

Let me tell you  
She likes the movin' and a groovin'  
Man, she likes the movin' and a groovin'  
Rock in the night out and the day in

She likes the swishin' and the swayin'  
Oh, she like the movin' and a groovin'  
Watch her move, move, move, move

Ask her to a movie, just the other day  
Try to make her relax, in a different way  
It didn't pay, I didn't even stand a chance  
She said, you go to movie  
I think that I'd rather dance

She made it plain to me  
She likes the movin' and a groovin'  
She likes the movin and a groovin  
Rock in the night out and the day in

She likes the swishin' and the swayin'  
Man, she like the movin' and a groovin'  
Watch her move, move, move, move

I've got the situation well in hand  
I found out that if I'm going to be man  
I've gotta be a man

If I'm gonna stand a chance  
If I'm gonna make her my woman  
I've just got to learn and dance

Now you wanna see me  
I'm doing the movin' and a groovin'  
I'm doing the movin' and a groovin'

We're rockin' the night out and the day in  
We're doing the swishin' and the swayin'  
I'm doing the movin' and a grovin'  
Watch me move, I'm movin', movin'
