Rolling along  
Rolling along  
Rolling along  
Hmmm  
Old man river  
That old man river  
He don't say nothing but he must know something  
For old man river he just keeps rolling along  
He don't plant taters  
He don't pick cotton  
And them that plants 'em they're soon forgotten  
While old man river he jest keeps rolling along

You and me  
We sweat and strain  
Body all aching and racked with pain  
Towed that bargem  
Lift the bail  
Get a little drunk and you land in jail  
I get weary and sick of trying  
I'm tired of living and afraid of dying  
While old man river he just keeps rolling along
