Pink champagne that stole my love from me  
Pink champagne that stole my love from me  
Pink champagne, where can my lover be?

Champagne, champagne  
Mellow, mellow eyes  
Champagne, champagne  
Mellow, mellow eyes  
Makes me wanna feel so drunk on wine

Pink champagne that left me feeling blue  
Pink champagne that left me feeling blue  
Pink champagne that broke my heart in two

Pink champagne, as good as wine can be  
Pink champagne, as good as wine can be  
Pink champagne has made her, uh, love me

Champagne, champagne  
Mellow, mellow eyes  
Champagne, champagne  
Mellow, mellow eyes  
Makes me wanna feel so drunk on wine
