(Love you, love you, ooh)

I love you, there's nothing to hide
It's better than burning inside
I love you, no use to pretend
There, I've said it again

I've said it, what more can I say
Believe me, there's no other way
I love you, I will to the end
There, I've said it again

I've tried to drum up
A phrase that would sum up
All that I feel
That I feel for you

But what good are phrases
The thought that amazes
Is you love me and
It's so heavenly

Forgive me for wanting you so
There's one thing
I want you to know

And that's I've loved you
Since, oh, heaven knows when
There, I've said it again, oh
There, there, I've said it again

(Love you, love you)
