"When I Fall In Love"

Maybe I'm old fashioned
Feeling as I do
Maybe I am living in the past but when I meet the right
one
I know that I'll be true
My first love will be the last

When I fall in love it will be forever or I'll never fall in
love
In a restless world like this is love is ended before it
began
And too many moonlight kisses seem to cool in the
warmth of the sun

When I give my heart it will be completely or I'll never
Never
Never give my heart
And the moment I can feel that you feel that way too
Is when I give my heart to you
