Woo ohh ohh ohh little girl, how happy I would be
If some miracle could win your love for me

Woo ohh ohh woh little girl, how happy I would be
If some miracle could win your love for me
Win your love for me
Win your love for me
Woo ohh ohh ohh ohh woh win your love for me

Many's the day I've longed for you
To hold you in my arms
Many's the night I've cried for you
For your many charms

If you'd only come to me
My heart wouldn't be full of sorrow
But now all I can do is hope and pray
That you'll come to me tomorrow

Woo ohh ohh ohh little girl, how happy I would be
If some miracle could win your love for me
Win your love for me
Win your love for me
Woo ohh ohh ohh ohh ohh woh win your love for me

To me you are so beautiful
Beautiful as a song
And whenever I look at you
My heart beat like a tom-tom

If you'd only come to me
This torch I wouldn't have to carry
And if everything goes right
To the church we will go to marry

Woo ohh ohh ohh little girl, how happy I would be
If some miracle could win your love for me
Win your love for me
Win your love for me
Woo ohh I wish some miracle could win some love for
me
