all around the world by Machiavel  
(Thierry Plas, Roland De Greef, Marc Ysaye,  
Hervé Borbé, Mario Guccio)

All around the world we all catch the sun in our eyes  
All around the earth we all survive  
In all of the years one thing does not change  
The man you are the man you stay remains the same  
And nothing else and nothing more we loose

All around the world we all catch the sun in our eyes  
All around the earth we all survive  
The original model disappears in a haze  
Meanwhile we try to re create  
And after all heaven & hell is you, and me
