I wanna talk to you there,
I think it's time
No one's gonna turn my mind
They've tried

No one now can feel , the real thing
Who's gonna break the chain of rules
Run away , to breathe
run away to breathe

Sometimes we feel up & down
But it takes time
Until we change our minds
For our lives

So that we can reach the real thing
Look into yourself to give
Well I'm wondering, is it real

I run away to breathe
run away to breathe
run away to breathe
Run away!
