Charlena by Machiavel
(Mario Guccio - Marc Ysaye - Thierry Plas -
Roland de Greef - Luc O)

You always take the rough with the smooth
You can't be loved I know that for sure
Charlena
I want you to know you make me scream
If you told me only what you need
Charlena
No! You 're wrong you 're not kind to me
'Cause you got all you want
Money, diamonds that 's all you see
And my life stays in the dark

Charlena, Charlena, nobody can try to show you
To show you the way
Charlena, Charlena, I give you my life, my life
Gimme your love.
Stop making a fool out of me
Middle of the night you phone, I come
Charlena
You want me to be your special one
When sunrise comes you leave me alone
Charlena
No! You're wrong you're not kind to me
'Cause you got all you want
Money, diamonds that's all you see
And my life stays in the dark

Charlena, Charlena, nobody can try to show you
To show you the way
Charlena, Charlena, I give you my life, my life
Gimme your love.
