chronic love by Machiavel
Whispers and feelings, say all about you
I'm stealing time to breathe in you

I hope what you're looking for,
As a part of the moon,
is what I want to live with you

DEEP INSIDE ME, I ALWAYS FEEL IT
MY CHRONIC LOVE DISEASE
EVERY MOVE YOU MAKE TURNS ME CRAZY OF YOU
ANYBODY KNOWS HOW I'M FEELING
MY CHRONIC LOVE DISEASE
EVERY BREATH YOU WILL TAKE, I'LL TAKE IT WITH YOU

Silence is screaming, my dreams come true.
The secret games tell me the truth

My Heart is guessing,
when you're feeling blue,
nobody knows as I know you

DEEP INSIDE ME, I ALWAYS FEEL IT
MY CHRONIC LOVE DISEASE
EVERY MOVE YOU MAKE TURNS ME CRAZY OF YOU
ANYBODY KNOWS HOW I'M FEELING
MY CHRONIC LOVE DISEASE
EVERY BREATH YOU WILL TAKE, I'LL TAKE IT WITH YOU

I'm still looking for, a love without rules
believing the moments shared with you

DEEP INSIDE ME, I ALWAYS FEEL IT
MY CHRONIC LOVE DISEASE
EVERY MOVE YOU MAKE TURNS ME CRAZY OF YOU
ANYBODY KNOWS HOW I'M FEELING
MY CHRONIC LOVE DISEASE
EVERY BREATH YOU WILL TAKE, I'LL TAKE IT WITH YOU
