Down on my knees by Machiavel  
(Tierry Plas, Roland De Greef, Marc Ysaye,  
Hervé Borbé, Mario Guccio)

Blinded by your law, victim of your greed  
I don't want to show you, that I'm down on my knees  
But the hate which grows inside our souls  
Certainly will break it all

Now I know what you feel inside

Down on my knees  
I got to go right now  
Down on my knees  
I need to live my life

I don't want to know, if you feel the breeze

I think this time, you will not get, something you came  
for  
You will realize, that you're not alone with you  
By the way  
I'll tear away your tears  
You'll put a spell on me  
I'll tear away your heart  
Curse by the evil one

A strange flame in your eyes  
Burning truth & feeding lies  
It's hidden behind the screen of your emotion

Down on my knees  
I got to go right now  
Down on my knees  
I need to live my life

Haunted by your love, you give me the creeps  
I don't want to show you, that I'm down on my knees

This is the night, I got to go, I got to break through  
I realize, that I'm alone with you

I don't want to see you there, I really want to breathe  
Cause the hate which grows inside of us  
Certainly will not rebuild the trust

Down on my knees  
I got to go right now  
Down on my knees  
I need to live my life

Down on my knees  
I got to go right now  
Down on my knees  
I need to live my life
