draw the line by Machiavel
(Mario Guccio - Marc Ysaye - Thierry Plas -
Roland de Greef - Luc O)

If I go away
Don't be afraid
It 's your life and mistakes sometimes are made
Time after time
In this world
You just walk alone along that lonely road
Heading every night
Hiding in the shade
Swearing to yourself that everything's gonna change

Draw the line
Draw the line
Do you care after all
Do you care anyway

Swimming with the tide
You're gonna go anyway
Goin'on and until you lose your mind
Taking every risk
Playing every game
Until everything's gonna look the same

Draw the line
Draw the line
Do you care after all
Do you care anyway
