My heart is cold
victim of the situation
My soul leaves me to its fate
Under my skin
I feel like a resurrection
Ready to happen one day

Show me, dreams & fascination
Make me my day
Help me, give me your emotion
show me the way

My hands are empty
but filled with imagination
'know how to find, to find the way

Under my skin
I feel like a resurrection
Ready to happen one day

Show me, dreams & fascination
Make me my day
Help me, give me your emotion
show me the way

I'm on my way
Out of the night
Until the end the sun will shine ,I'm not so scared ,
Nothing to lose

Show me, dreams & fascination
Make me my day
Help me, give me your emotion
show me the way

Show me, dreams & fascination

Make me my day
Help me, give me your emotion
show me the way
