fade away by Machiavel
Work is done and you fade away
Work is done and you fade away
Work is done and you fade away
Work is done and you fade away
You can go your own way
Work is done and you fade away
Work is done and you fade away
No one will tell you where to go
Work is done and you fade away
No one will tell you what to do
Work is done and you fade away
Just livin' on the road
Work is done and you fade away
Or livin' in a palace
Work is done and you fade away
Everything is in your soul
