heaven's rules by Machiavel
(De Greef Roland - Guccio Mario - Plas Thierry - Ysaye Marc)

You're naked on the floor
Your eyes are empty
I never saw you like that before
But I know how you feel

Losing yourself
Right till the end
To breathe & live

Breakin' all heaven's rules, you do it
Oooo some angels do it
To feel the thrills you got to do it
Breakin' all heaven's rules , you do it

I lost myself
In a cold wind
To breathe & live

Breakin' all heaven's rules, you do it
Oooo some angels do it
To feel the thrills you got to do it
Breakin' all heaven's rules, you do it
Breakin' all heaven's rules, you do it
Oooo some angels do it
To feel the thrills you got to do it
Breakin' all heaven's rules, you do it
