I need it by Machiavel
(Mario Guccio - Marc Ysaye - Thierry Plas -
Roland de Greef - Luc O)

I remember, the times you felt so strong
Lone pretender is there 'something goin' on
I remember, you were layin' down the rules
Ain't it funny how you've gone and lost your cool

I'm goin' my way from day to day
Makin' it in anyway
Years go by they're never alike
My time has come and I'm still the same
Everyday
I need it
Takin' my life by the feeling
Everyday
I need it
Takin' in it all where I find it

You were claiming, I would never make it through
You were laughing at the things I tried to do
You were smiling when you saw me strugglin' on
Things are changing, you have troubles all along

I'm goin' my way from day to day
Makin' it in anyway
Years go by they're never alike
My time has come and I'm still the same
Everyday
I need it
Takin' my life by the feeling
Everyday
I need it
Takin' in it all where I find it
