Let me live my life by Machiavel  
(Roland De Greef - Marc Ysaye - Mario Guccio -  
Albert Letecheur - Jean Paul Devaux)

Do you thing I'm nothing  
Just nothing at all  
I'm gona tell you something  
I'm not the man you thought  
Well you're not my gardian angel  
I'll break the chain I'm sure I'm able  
I know I can do it all alone  
Now let me live my life  
Let me go my way, go my own way  
Let me live my life.

I'll step out of the moving train  
I'll leave the ship before it sinks  
No sorrow, no pain  
From now on a brand new day is rising  
I'll shut the door and pack up my clothes  
I don't want any more of your laws  
I know I can do it all alone

Now let me live my life  
Let me go my way, go my own way  
Let me live my life.
