lying world by Machiavel
Lying world, you never tell me the truth
Lying world, you say "can't see the use"
No place to live a human live
No place to run, no place to hide
Blind world, you never look around you
Blind world, you say "can't see the use"
No place to run, no place to hide

You know the way you go
Just called no way out!

Lying world, you play a crooked game
Lying world, you promise you,
you give us pain
No place to live a human life
No place to run, no place to hide

You know the way you go
Just called no way out!
