mary's dream by Machiavel  
(Thierry Plas, Roland De Greef, Marc Ysaye,  
Hervé Borbé, Mario Guccio)

Where is Mary living today lost in a year or in a day  
Little girl grown up today left in a haze in 78  
Mary please give me a sign let me see the colour of  
your eyes  
Oooooooo You ' re just a dream

Comin' in the rain coming in the light we fly again  
Comin' in the sun walk into your life we'll cry no more  
I know the time will break me down

How was the afternoon I remember it came too soon  
Did mother came to bring you home fadin' away in  
moments's gone  
Secret life and young desire feel the love we all have  
shined  
Ooooooh You 're just a dream

Comin' in the rain coming in the light we fly again  
Comin' in the sun walk into your life we'll cry no more  
I know the time will break me down

I can't tell you what I mean, cause what I mean is so  
confuse
