memories by Machiavel
You've gone made the big time
People talking about you
I've read in the headlines
Newspapers talking about you
You were not yet a star
When you left me on my own
You hadn't gone far
Since you left me alone

Everywhere that I turn to
On the walls only you
I seem to be followed
By giant posters of you
But not even your picture
When you left me on my own
You left me no picture
When you left me alone

I try to shake off that old love story
But everywhere a memory follows me
Let me be, I wanna be free

Everywhere all around me
Bring back those memories
Everywhere all around me
The past I don't wanna see
The story of my life
When you left me on my own
The story of my life
When you left me alone

I try to shake off that old love story
But everywhere a memory follows me
Let me be, I wanna be free
