playboy by Machiavel
Who is this man just in front of me?
He will be mine, he will be mine
This man is just my kind of man
He is my kind, he is my kind
Who is this man just in front of me?
He will be mine, he will be mine
I'm gonna tell him he is so fine
He is so fine, he is so fine
C'mon babe don't hesitate
I got no time, I got no time
Hey girl don't get excited,
do you wanna drink something with me?
Hey girl don't get excited, sit down,
Be cool and let's tae it easy!

Don't talk about anything I feel ready
You will be mine, you will be mine
Don't move that way you're like fire
I burn inside, I burn inside
Hey girl don't get excited, come on,
relax and sit down with me
Hey girl don't get excited, sit down,
Be cool and talk all this through!

You don't care what I'm talking about
Takin' it easy
No you don't care not at all
Takin' it easy
No you don't care not at all
Takin' it easy
No you don't care not at all
I don't like when you laugh at me!
